Lesson 2: Kindness Is Gentle, Generous, & Attentive

1. Review Story (Chapter 1)

- a. We should be kind because God has been kind to us. We'll talk more about that in a few weeks.
- b. First, listen to this summary of what Jesus said (Luke 6 MSG & NIRV):
- c. "To you who are ready for the truth, I say this: Love your enemies. Let them bring out the best in you, not the worst. When someone gives you a hard time, respond with the energies of prayer for that person. If someone slaps you in the face, stand there and take it. If someone grabs your shirt, giftwrap your best coat and make a present of it. If someone takes unfair advantage of you, use the occasion to practice the servant life. ...
 - Live generously. ... Ask yourself what you want people to do for you; then grab the initiative and do it for them! If you only love the lovable, do you expect a pat on the back? Run-of-the-mill sinners do that. If you only help those who help you, do you expect a medal? Garden-variety sinners do that. If you only give for what you hope to get out of it, do you think that's charity? The stingiest of pawnbrokers does that."
- d. But love your enemies. Do good to them. Lend to them without expecting to get anything back. Then you will receive a lot in return. And you will be children of the Most High God. He is kind to people who are evil and are not thankful. Our Father is kind; you be kind.
